EDUCATION:

B.V.Sc Cairo university 1978

M.V.Sc Pathology. Cairo university 1983(title. Histopathological studies on bovine theileriosis)

Ph.D Pathology. Cairo university 1987(title. Some pathological studies on infectious laryngotracheitis in chicken)

Associate professor 1991

Professor(1995)

Head of pathology department (November 2000-untill 2012)

Diploma in :

Biological &Medical application of laser (NILES);Cairo university;1996

RESEARCH :

- Immunopathology
- Avian pathology

TEACHING / INSTRUCTION:

- 1- Preparation of exams and assessments (17-19/11 2007) (FLDP, Faculty and Leadership Development Project)

- 2- Time management (29/5-31/5 2007) (FLDP, Faculty and Leadership Development Project)
- 3- Preparation of a scientific research Project (19/5-21/5 2007) (FLDP, Faculty and Leadership Development Project)
- 4- Advanced techniques for histopathological diagnosis (7-10 May, 2007) as a trainer
- 5-Scientific writing &International Publication (21/4-23/4 2007) (FLDP, Faculty and Leadership Development Project)
- 6- Advanced techniques for histopathological diagnosis (7-9 May, 2006) as a trainer
- 7-Curriculum Design (4/7-6/7, 2006) (FLDP, Faculty and Leadership Development Project)
- 8-Effective Thinking skills (7/11-10/11, 2005) (FLDP, Faculty and Leadership Development Project)
- 9-Effective communication skills (12/11-15/11, 2005) (FLDP, Faculty and Leadership Development Project)
- 10-The preparatory training course for the lecturers No 93(14/2-4/3, 2004) Cairo Univ.
- 11-Molecular biology (15th-18th /4, 2004)
- 12-TOEFL (26/9-9/11, 2004)
- 13-Electron Microscope (23-27 December 2001)
