

Acknowledgement

Thanks to God, Most Gracious, Most Merciful, for his favors & gifts.

Without his well and evidence no work will be completed and no goal will be achieved " He whom God guides is rightly guided, but he whom God leaves to stray, for him will thou find no protector to lead him to the right way translation from Holy Quran, sura xviii (A1 Kahf) verse 17.

I wish to express my profound gratitude, thankfulness and deepest appreciation to my *Prof. Dr. Wael Mohammed El Shaer* professor of plastic Surgery Faculty of Medicine, Beni-Suef University under whose father guidance and constant supervision this work has been prepared. It was great honor to work under his supervision.

Also words fail to express my greatfulness to. *Prof. Dr. Mohammed Gamal Eldin Ellabban* Consultant Plastic & Reconstructive Surgeon the Heart of England NHS Foundation Trust, Birmingham, UK who provided me a lot of guidance and care to me. I feel deeply indebted to him for his valuable comments, remarkable suggestions and stimulating criticism.

I would like to express my sincere gratitude to **Prof. Mona Mohamed Kholousy** Professor of Clinical Pathology and chemical pathology Faculty of Medicine Beni-Suef University for her patience, continuous support, valuable supervision, kind advice and great care during preparing this work.

I would like to express my sincere gratitude to **DR Gamal Mohammed Ali** lecture of plastic Surgery Faculty of Medicine, Beni-Suef University for his revision this thesis

To my parents

To my beloved wife

To my daughter

To my sons

To my friends

Thank you for the Endless support you gave
me

It's without you all.....I would never been who I
am now

Thank you
